

Kryo Kitchen: Mobile Sorbet Station

kryogeniflex

Features:

- 01 Kryotube cutout
- 02 Large central mixing bowl
- 03 Four peripheral sorbet bowls
- 04 Buss cart compatible

The sorbet station comes with the kryotube, a large mixing bowl, four peripheral serving bowls, a ladle and wisk for stirring. This kryo station is designed for the customer who would like to see their sorbet made table side. They will have the choice of four natural juices, mixer, or alcoholic options. A fruity digestif is always an option
